

LOTS OF YACHTS YACHTING ITINERARY GALÁPAGOS

If you are looking for an adventure unlike any other, then the Galápagos is the place for you. Located off the coast of Ecuador, the weather here is perfect year around. Enjoy the beauty of one of the most pristine places in the world in the best way possible, by yacht. As you cruise the many islands you will be taken care of by your own crew which are there to make you feel right at home.

Only four of the islands in the Galápagos are inhabited leaving you plenty of time to relax onboard your private yacht. The Galápagos is home to many unique wildlife that can only be seen on the islands as a result of many of the islands being nature preserves. Some of the animals that you might encounter in the water include whale sharks, penguins, and sea lions. While although you are not allowed to touch the wildlife, you will be literally within inches of them. Back on land, you can visit several of the coffee plantations as well as visit the Charles Darwin museum and see the giant tortoises that can reach up to 500 pounds or more.

The Galápagos is a paradise for the adventurous as well as for those looking for a relaxing time. With plenty of activities ranging from watersports to kicking back aboard your yacht, you are assured to have an amazing time in the Galápagos Islands.
