

## LOTS OF YACHTS YACHTING ITINERARY ITALY

One of the best places in the world for yachting is Italy because of its numerous coastal towns, pristine beaches, and warm clear waters. If you're looking for an unforgettable adventure, then Italy is the place for you. Hop onboard your own private yacht, sit back and relax, and grab a cocktail as you take in the amazing sights.

Day 1 – You'll arrive at Sorrento where your private yacht and crew will be waiting for you. You will then set sail on the Mediterranean for the beautiful city of Positano. This picturesque city is unlike any other as the buildings are settled into the cliffside all the way to down to the sea and the city's narrow streets are filled with cafés, boutiques, and restaurants. For an incredible view walk up to the terrace of Le Sirenuse where you will be able to overlook the harbor and your anchored yacht.

Day 2 – The next day wake-up Ravello, a classic city known for its beautiful gardens and summer long music festivals. Ravello has been named the "City of Music" and is home to Villa Cimbrone and Villa Rufolo, both of which overlook the Mediterranean. Enjoy your day in the small town or relax onboard your yacht as your crew caters to your every need.

Day 3 – The last day of the itinerary has you stop at Capri. Capri is the perfect place for romance as it has some of the bluest waters you will ever see and the air is filled with the scent of lemon blossoms. Capri is home to the Blue Grotto, striking Faraglioni Rocks and the Palazzo al Mare. If you're looking for a day full of adventure, then sail to Marina Piccola Beach which features a world-class snorkeling spot. After a fun-filled day head back onboard where your crew will have cocktail and an authentic Italian cuisine waiting for you. Enjoy the fresh seafood that was caught locally and cooked onboard for you and your guests.

After your itinerary is finished we suggest exploring the Amalfia Coast on your yacht for a few more days as there is so much to see and do. Explore the beautiful coast at your own pace and full advantage of your own private yacht and crew.
