## The Cyclade Islands

The most famous island group in the Aegean Sea comprises some of the most beautiful islands in the world! Gorgeous sandy beaches, architecture in white and blue, traditional lifestyle, folk music, warm, hospitable people, and barren landscapes with isolated chapels turn a trip to the Cyclades into a lifetime experience.

**DAY 1** – Start your great journey by exploring Delos. According to Greek mythology, Apollo was born on this tiny island, which is now a UNESCO World Heritage site. You can check out the island's attractions which include Theater Quarter, Sacred Way, Terrace of the Islands, and House of the Lake. Enjoy your lunch aboard your yacht then head out in the water for a swimming and snorkeling adventure off the island of Rineia. Top off your night with a tender to Scorpios Beach Club on Mykonos to watch the sunset. For dinner you can head to Nammos for the fresh catch of the day then stay for dancing on the beach.

**DAY 2** – After a great breakfast on board, spend the day lounging in a cabana at Alemagou, a bohemian beach bar in Ftelia on Mykonos. Have lunch at Alemagou's restaurant, where dishes are inspired by the local market. For dinner you'll dine on authentic Greek cuisine at family-run Niko's Taverna. After which you can party into the early morning at Cavo Paradios in Mykonos. It regularly tops lists of the best beach clubs in the world and draws the biggest D.J.s.
